

STEVE PADILLA

Senior Brand Experience Designer | Campaigns, Interactive, Motion, Environmental

Costa Mesa, CA: (Hybrid/On-Site Ready) | EMAIL: steve.mindseye@gmail.com | LinkedIn: [SteveMichaelPadilla](#) | Portfolio: m1ndseye.com

PROFESSIONAL SUMMARY

Senior Brand Experience Designer with 18+ years of experience creating bold, story-driven work across brand systems, campaigns, motion design, interactive experiences, and environmental graphics. Known for strong conceptual thinking, typography-forward layouts, and high-level execution from concept through final production. Experienced collaborating with cross-disciplinary teams of creatives, technologists, producers, and stakeholders to deliver culturally relevant, high-impact work for major brands and organizations. Skilled in Adobe Creative Suite and Figma, with advanced motion and blending 3D capabilities with Ai to support immersive storytelling and modern design workflows.

CORE SKILLS

- Brand Experience Design (campaigns, immersive storytelling, multi-touchpoint systems)
- Concept Development + Visual Direction
- Visual Systems + Identity Design
- Campaign Design (digital, social, web, print)
- Typography, Layout, Grid Systems, Editorial Craft
- Environmental + Spatial Design (signage, large format, exhibit graphics)
- Interactive Experience Design (UI components, exhibit touchpoints, digital integration)
- Motion Graphics + Video Editing
- 3D Visualization + Scene Building
- Presentation + Pitch Deck Design
- Production Design + Vendor-Ready File Prep
- Art Direction Support (photoshoots, reference gathering, post-production)
- Cross-Functional Collaboration + Remote Workflow Management
- Project Ownership, Organization, Deadline Management

Design: Adobe Creative Suite (Photoshop, Illustrator, InDesign), Figma

Motion/Video: After Effects, Premiere Pro

3D: Blender, SketchUp

Web/Other: WordPress, Microsoft Office, Visual Studio Code

Workflow Support: AI-assisted concept exploration (Firefly, ChatGPT, Gemini)

PROFESSIONAL EXPERIENCE

03/2025 – Present

TrialSupport.us — Trial Graphics Specialist – Irvine, CA

- Lead brand execution across digital, print, and presentation deliverables, ensuring consistent quality across all touchpoints.
- Design high-impact visual narratives and pitch-style decks that translate complex legal information into clear, persuasive storytelling.
- Develop scalable templates, production systems, and brand tools to increase output while maintaining a premium design standard.
- Produce campaign-style creative including social media assets, web graphics, email visuals, and motion-driven storytelling pieces.
- Create 3D visualizations and animation assets to support courtroom storytelling and high-visibility presentations.
- Collaborate directly with attorneys, internal stakeholders, and external partners to deliver fast-turn creative under high-pressure timelines.
- Manage multiple projects simultaneously while balancing detail-driven execution, feedback cycles, and final production handoff.

10/2022 – 01/2025

NDM Communication — Senior Graphic Designer

- Designed and executed multi-channel creative for major healthcare brands including Providence and MemorialCare across social, web, print, and motion.
- Built campaign systems and visual toolkits including modular templates, typography-forward layouts, and brand-

consistent frameworks.

- Produced motion-first storytelling content that generated millions of organic views and increased engagement by approximately 30%.
- Designed print-ready collateral, vendor-ready production files, and large-format environmental signage for healthcare campuses and events.
- Supported photoshoots through planning, reference gathering, art direction support, and post-production workflows.
- Performed high-level retouching and color correction to ensure photography remained consistent with brand standards.
- Partnered with strategists, writers, and creative leadership to translate briefs into polished creative aligned with business goals.

02/2021 – 09/2022

Swim Digital Group — Senior Graphic Designer – Tampa, FL

- Designed digital campaign systems for higher-education clients across paid social, email marketing, landing pages, and web assets.
- Developed modular design templates and scalable production systems to support high-volume output across multiple accounts.
- Collaborated with account teams and strategists to refine creative using A/B testing insights and performance metrics.
- Delivered consistent, on-brand creative across five concurrent client accounts while maintaining speed, clarity, and quality.

02/2019 – 02/2021

Boston Museum of Science — Senior Graphic Designer – Boston, MA

- Led design for immersive exhibit experiences and museum-wide storytelling environments, integrating physical space with digital and print touchpoints.
- Produced environmental graphics, exhibit branding systems, large-format signage, and wayfinding assets for high-traffic public installations.
- Built UI components, icon systems, and accessible design frameworks to support inclusive visitor experiences.
- Created motion graphics and 3D visualizations supporting exhibit launches, marketing campaigns, and educational programming.
- Collaborated cross-functionally with exhibit designers, engineers, educators, and production teams to bring concepts from ideation through fabrication.
- Delivered production-ready files and coordinated execution details to ensure high-quality final installation output.

03/2007 – 07/2016

Graphic Designer & Event Branding Specialist | Enzoani Bridal – Tustin, CA

- Supported a luxury bridal fashion brand through global campaign design, premium print production, and immersive event branding systems.
- Designed lookbooks, catalogs, invitations, signage, promotional collateral, and presentation materials used across international markets.
- Developed seasonal event branding for trade shows and fashion events, creating cohesive experiential environments and retail-style displays.
- Managed vendor coordination, proofing, production specs, print timelines, and premium finishing processes.
- Produced high-detail typography and layout work aligned with luxury brand standards across multiple product lines and campaigns.

PROFESSIONAL DEVELOPMENT

Front-End Simplified – Web Developer Course (In Progress)

- Completed and passed coursework in HTML, CSS, and JavaScript fundamentals.
- Applying skills through hands-on projects focused on responsive layouts, modern UI patterns, and interactive web workflows.

EDUCATION

Bachelor of Arts – Art / Graphic Design California State University, Long Beach

- President's Honor Roll (4 semesters)
